## FOREWORD

We, the class of 1956, have pictured some of the many new areas and facilities of the F. A. Marcks Building in our yearbook. We will always remember that we were the first class to graduate from the new Area Senior High School.

If, in future years, today's high school students page through the *Comet* and remember the Blue Eagles winning the Lehigh-Northampton League Championship, the Blue Eagle Cagers competing in the District XI playoffs, the Prom, assemblies, and the Glee Club's Christmas Program, the staff will know that the 1956 *Comet* was successful.

Since the CSPA theme was INTERNATIONAL UNDERSTANDING, our staff is sending a 1956 *Comet* to a high school in Europe to help create better understanding between students in Europe and America.

# *to Honor Superintendent Marcks*

SUPERINTENDENT F. A. MARCKS

The F. A. Marcks Building, dedicated on April 8, 1956, was named in honor of Frederick A. Marcks, who, at the end of this school year, will have served the Nazareth Public Schools continuously for forty-seven years and the Joint Area Schools since the inception of the six-district jointure in 1950.

Coming to Nazareth in 1909 as a teacher of Physics, German, and English in the local high school, he was elected high school principal in 1910 and five years later, in 1915, supervising principal.

When Nazareth passed the 5,000 population mark in 1937 and became a third class district, Mr. Marcks was elected District Superintendent. Since the six-district jointure in 1950, Mr. Marcks served also as superintendent of the secondary schools of the jointure.

Under his guidance the schools have made great strides in both their physical and educational programs. During this period both the present Junior High and the modern Area Senior High School buildings, with ample football, baseball, track, and tennis areas, have been completed.

Paralleling the physical expansions, the entire curriculum has been expanded and enlarged to keep the educational program abreast the times. In 1918 the commercial curriculum was added; in 1923,

music; in 1924, sewing and industrial arts; physical education and the beginning of a sports program in 1926-27; and a department of health in 1928.

In 1931 the secondary school was reorganized into a junior and senior high school. In that year the high school library service came into existence. In 1936 instrumental music was introduced. A foods laboratory in 1938 made the home making course complete. A guidance counselor was added to the staff in 1949.

Keeping pace with the ever-expanding curriculum and the increased enrollment, the staffs of the combined schools, numbering approximately 15 for both elementary and high school in 1915, now include 71 faculty members, all of whom have college certification.

Since the inception of the six-district jointure in 1950, administering the school system has become increasingly complex and difficult. In addition, the planning in connection with the construction of the new building has made the superintendent's work more strenuous and time-consuming.

The schools of the community and the jointure owe much to the foresight, careful planning, and the devotion of this educator.

## NAZARETH AREA JOINT SCHOOL COMMITTEE

Following the 1950 Jointure, formed to combine the resources and provide better facilities for the six-district school population, the first step toward the realization of a new senior high school building was the appointing of a building committee on September 26, 1951.

After acquiring a building site, plans were formulated, approved, bonds issued, and ground was broken on February 6, 1952. Approximately two years and eight months later, on October 3, 1955, the partially completed new high school was opened. The following April 8, 1956, the new F. A. Marcks Building was dedicated.

To the Joint Committee, the School Board, and the superintendent much credit is due for the foresight, time, and cooperative effort used in planning and erecting a modern building for the improvement of the educational facilities of the students of the area school population.

# Achieves Long-Range Program

Besides serving as superintendent of the Nazareth Borough Schools since 1937, Mr. Marcks has been chief administrative and supervisory officer of the joint school since the six-district jointure of 1950.

At the end of this school year Mr. Marcks will have completed forty-seven years in the Nazareth Public Schools as a teacher, principal, and superintendent; and the Nazareth Schools owe much to the wisdom, foresight, and efforts of this educator.

*While Superintendent Marcks reads a report, his secretary, Mrs. Margaret Shekletski, looks on.*

*Dr. Lee Graver, principal, goes over a report with Mrs. Elaine Doyle, his secretary.*

Moving into the new F. A. Marcks Building created new problems for Dr. Lee Graver, high school principal. In addition to his regular duties of preparing student and teacher schedules and supervising instruction and the numerous extracurricular activities, he attended to the practical problems of adapting the various facilities of the new building. He was responsible for checking the numerous details that needed completing about the building.

# English and Social Studies

Nazareth Area Senior High School offers three courses of study—Academic, Commercial, and General. For a diploma each course requires  $13\frac{1}{5}$  units of work, including  $1\frac{1}{5}$  units of Health and Physical Education. Each of the three courses requires two full units in English and Social Studies each year.

The Academic Course is designed for those students who expect to continue their education in institutions of higher learning. The Commercial Course fits the needs of those students who are preparing to enter some branch of clerical or office work. The General Course provides training in both academic and general subjects for the students who are planning for immediate general employment.

1. In junior English class, Marie Wilson points out the characteristics and use of verbals in a sentence.
2. By means of board work, Arthur Miller, Pat Rinker, Bill Tanzosh, and Frances Karlowitch demonstrate the use of the comma in a sophomore English class.

2. To prepare for the faculty Christmas tea, the girls in homemaking bake cakes and decorate cookies.

# Homemaking and Industrial Arts Help Students in Choosing Vocations

Non-academic credit courses, both major and minor, are offered in Industrial Arts, Home Economics, Art for Home Living, General Art, Arts and Crafts, Glee Club, Band, and Driver Education.

1. As his project revolves on a turn-table, Robert Brown sprays it with an air pressure sprayer.
2. During shop classes students use the belt sander to surface large panels and the lathe for between-center-turnings.
3. In order to bend his metal project, John Kostenbader uses the metal folder.

To meet the present-day challenges in student life and work situations, Mr. Robert Reichard, Guidance Counselor, has inaugurated a long-range Guidance Program.

Students are encouraged to consult the guidance office for college and vocational information. Through the Guidance Counselor plans are made for college entrance examinations and the Pennsylvania State Employment Service examinations.

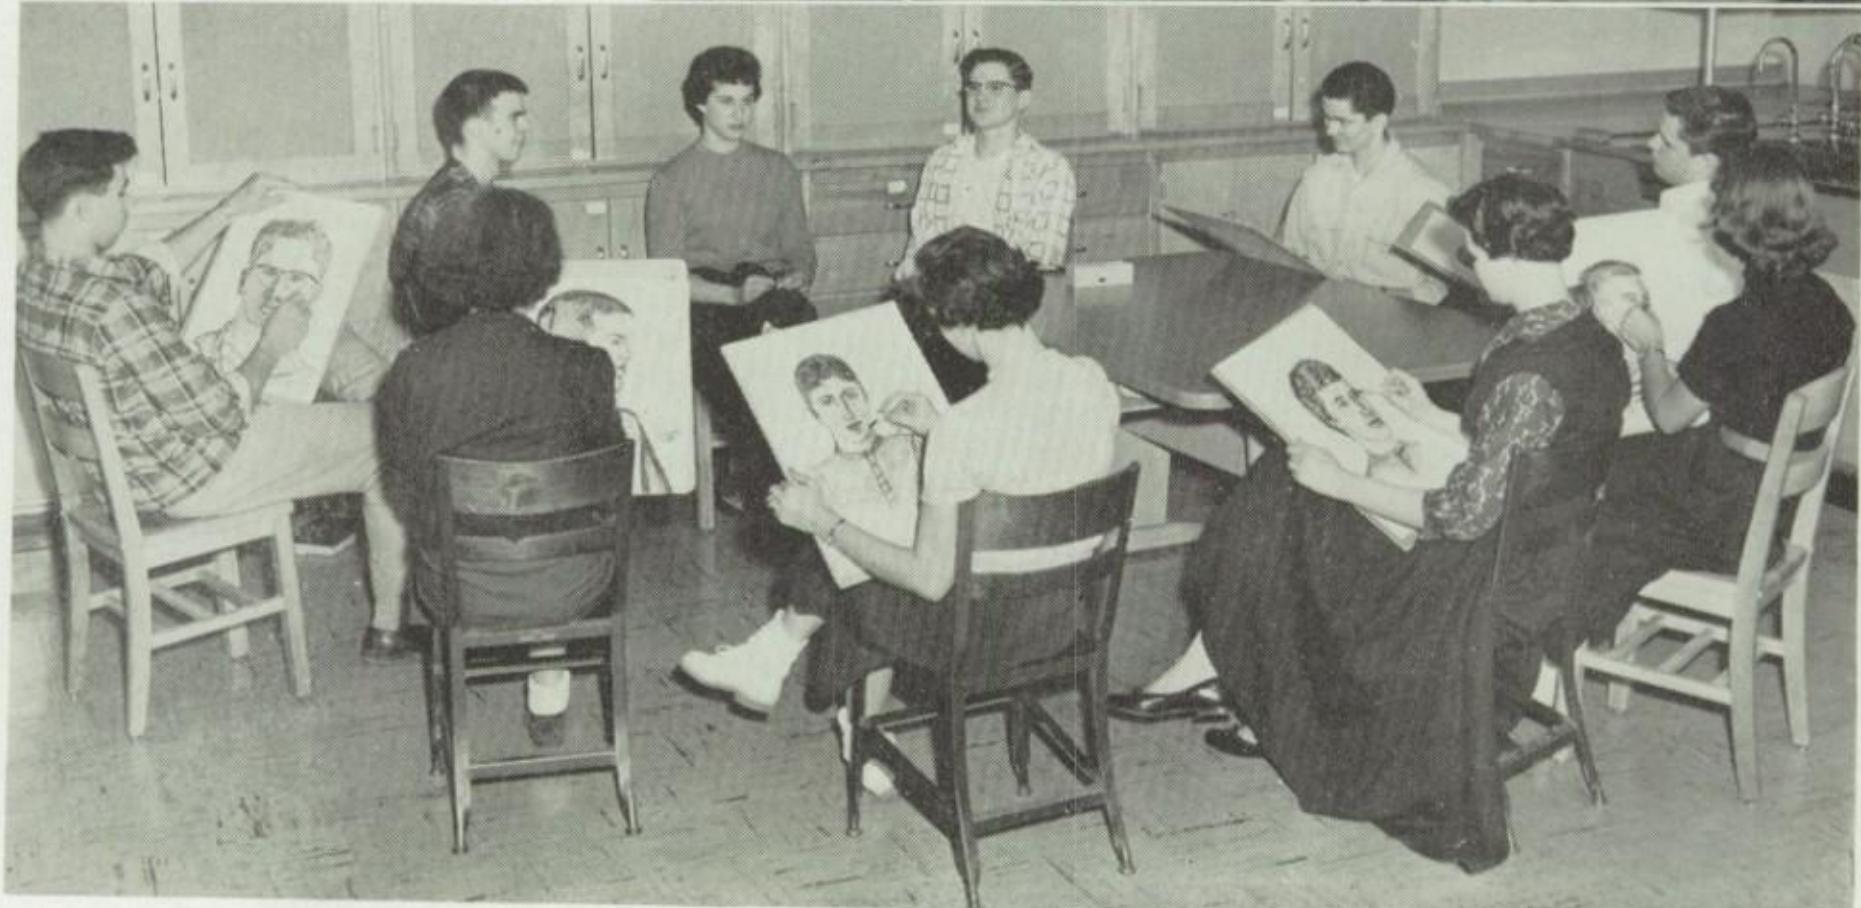

Besides helping students select the course best suited to their needs, a series of tests, interviews, and career conferences are arranged in an attempt to fulfill the vocational needs of students. For these career conferences outstanding people in various fields of work have given generously of their time.

# Counseling Helps Students Find Areas of Interest

The guidance office acts as a liaison between the school and job placement. A vital part of every guidance program is, of course, the general faculty counseling which is carried on through homeroom and class associations with students.

In addition to college and vocational counseling, students may discuss school and personal problems of major concern with the Counselor. The guidance services are open to both the school and the community.

1. *Mr. Charles Jackson and Mr. William Smith from the General Motors Training School discuss auto mechanics with interested students.*
2. *Sophomores take a Kuder Preference Test in the conference room.*
3. *Students browse through occupational pamphlets and magazines.*

## FRIDAY NIGHT'S JURY

On March 2 and 3, the senior class presented *The Night of January 16*, a three act play, under the direction of Franklyn Kostenbader. The unusual setting for this mysterious comedy was a court room.

Bjorn Faulkner, a Swedish financial juggler, had either been murdered so Miss Andre and her sweetheart, Larry Regan, could live a luxurious life in South America, or Faulkner had attempted a fake suicide so that he and Miss Andre could live incognito in South America.

Ronald Audenried as Attorney Stevens defended Karen Andre, while John Graver as District Attorney Flint represented the state of New York. Twelve jurors, chosen from the audience for each performance, found Karen Andre not guilty at Friday's, but guilty at Saturday's performance.

## BUSINESS STAFF

Although school did not open until October 3, part of the layout, art, and editorial staffs met several times in September with Miss Sloat to discuss the theme and layout for this year's *Comet*.

By November 3, sufficient progress had been made to have a photographer take approximately fifty pictures. Through layout, copy, and art work the *Comet* gives an over-all picture of our first year in the new F. A. Marcks Building.

This year the layout work and planning were done in the new Activity Room during the seventh period on Monday, Wednesday, and Friday. Again four

underclassmen — two juniors and two sophomores — were trained in yearbook planning. During the activity periods the various staffs worked to produce and finance the yearbook.

On October 15 and 16 two staff members and a faculty adviser attended the Columbia University Press Association Yearbook Conference in New York. At this conference the CSPA announced that the 1955 *Comet* was a Medalist winner.

The advisers of the yearbook are Miss Elizabeth Sloat, editorial, typing, and layout; Miss Jean Clute, layout and art; Mrs. Belva Kolessar, business.

This year's *Blue and White Standard* was devoted entirely to senior high school news. Elimination of the junior high material has permitted the *extra* page to be devoted to sports. Additional pictures enlivened each issue and made the paper more interesting.

Both the Columbia Scholastic Press Association and the Pennsylvania School Press Association awarded the *Blue and White Standard* second place ratings in the annual journalistic competitions.

Assisted by the staff and the advisors — Mr. J. Fredric Knecht and Mr. Quentin Zell — the five co-editors — Phyllis Buss, Beatrice Knecht, Kathryn Weiss, Rosemarie Hoffmeister, and Beverly Shimaski — had charge of the paper this year.

In order to become acquainted with the different types of writing, the co-editors supervised the make-up of a different page of the paper for each issue.

## FOOTBALL

During 1955 the Nazareth Area Blue Eagles finished the league season as undefeated champions of the Lehigh-Northampton Interscholastic Athletic League. The season's record shows six victories and only two losses. The only two setbacks occurred in independent tilts played with Minersville and Whitehall.

In the opening game of the season the fighting Blue Eagles started victoriously by defeating Nesquehoning 26-6. Richard Dech was high scorer with two touchdowns, one of which was a 65 yard line buck. Ray Douglas and Richard Yandresitz each scored one. Bob Mengel added two extra points with placement kicks to complete the scoring.

For the second game the Blue Eagles met the powerful Whitehall Zephyrs and absorbed their first loss, 13-7. Nazareth's only score came on a 65 yard pass play from Richard Dech to Martin Rothrock. Bob Mengel made good the extra point.

In an independent tilt the Blue Eagles again tasted defeat at the hands of a powerful Minersville eleven. Jack Woodward scored the only touchdown for Nazareth on a 4 yard line buck early in the game. The final score was 13-6.

Smarting from their defeat by Minersville, the Blue Eagles took their vengeance on Palmerton 49-21. The Nazareth offense proved too powerful for the Palmerton defense and the entire game was dominated by long runs of Dech and Douglas. Richard Dech scored three touchdowns and was aided by Ray Douglas and Martin Rothrock who scored two apiece. Bob Mengel added six points by way of placements, and Ben Giuffre added the last extra point.

Getting back into winning stride, the Blue Eagles began the league season by defeating Pen Argyl 44-20. Richard Dech scored three touchdowns, one of which was a 65 yard run. Ray Douglas added two more, one on a 64 yard run. Martin Rothrock and Frank Whiteman each scored one on pass plays from Richard Dech to complete the scoring.

With vengeance in their mind, the Blue Eagles avenged their last year's loss to Bangor by beating the Slaters 34-0. Richard Dech and Marvin Keck scored two touchdowns for the Blue Eagles, while Bob Mengel added the other on a 31 yard pass from Richard Dech. Giuffre and Mengel made good 4 of 5 extra points to round out the scoring.

The Nazareth offense proved too powerful for the blue and gold Warriors. The Blue Eagles completely outmaneuvered the Warriors in the first half, piling up seven first downs, while holding the Warriors at none. They also racked up two touchdowns to enjoy a comfortable 13-0 halftime pad.

1. Nazareth and Pen Argyl players scramble for a loose ball after a fumble.

Richard Dech scored three touchdowns, one a 74 yard end run in the fourth quarter. After an on side kick which was recovered by Ray Douglas, Dech passed to Douglas for the fourth. Bob Mengel added three extra points. Final score — Nazareth 27, Wilson 7.

Finishing the season with thirteen wins and three losses, the Nazareth Blue Eagle Basketeers captured second place in the Lehigh-Northampton Basketball League. The Eagles defeated every league opponent, except Fountain Hill, at least once.

After a slow start against non-league teams, the cagers began the league season with an impressive victory over Hellertown. In the next two league games Nazareth fell victim to Parkland and powerful Fountain Hill. The loss to the Hillers, however, was a thrilling 63-61 game, lost in the final seconds of an overtime period. From that point the Blue Eagles began a winning streak which extended through eight games, six of which assured them of a tie for 2nd in the 1st half of the League play.

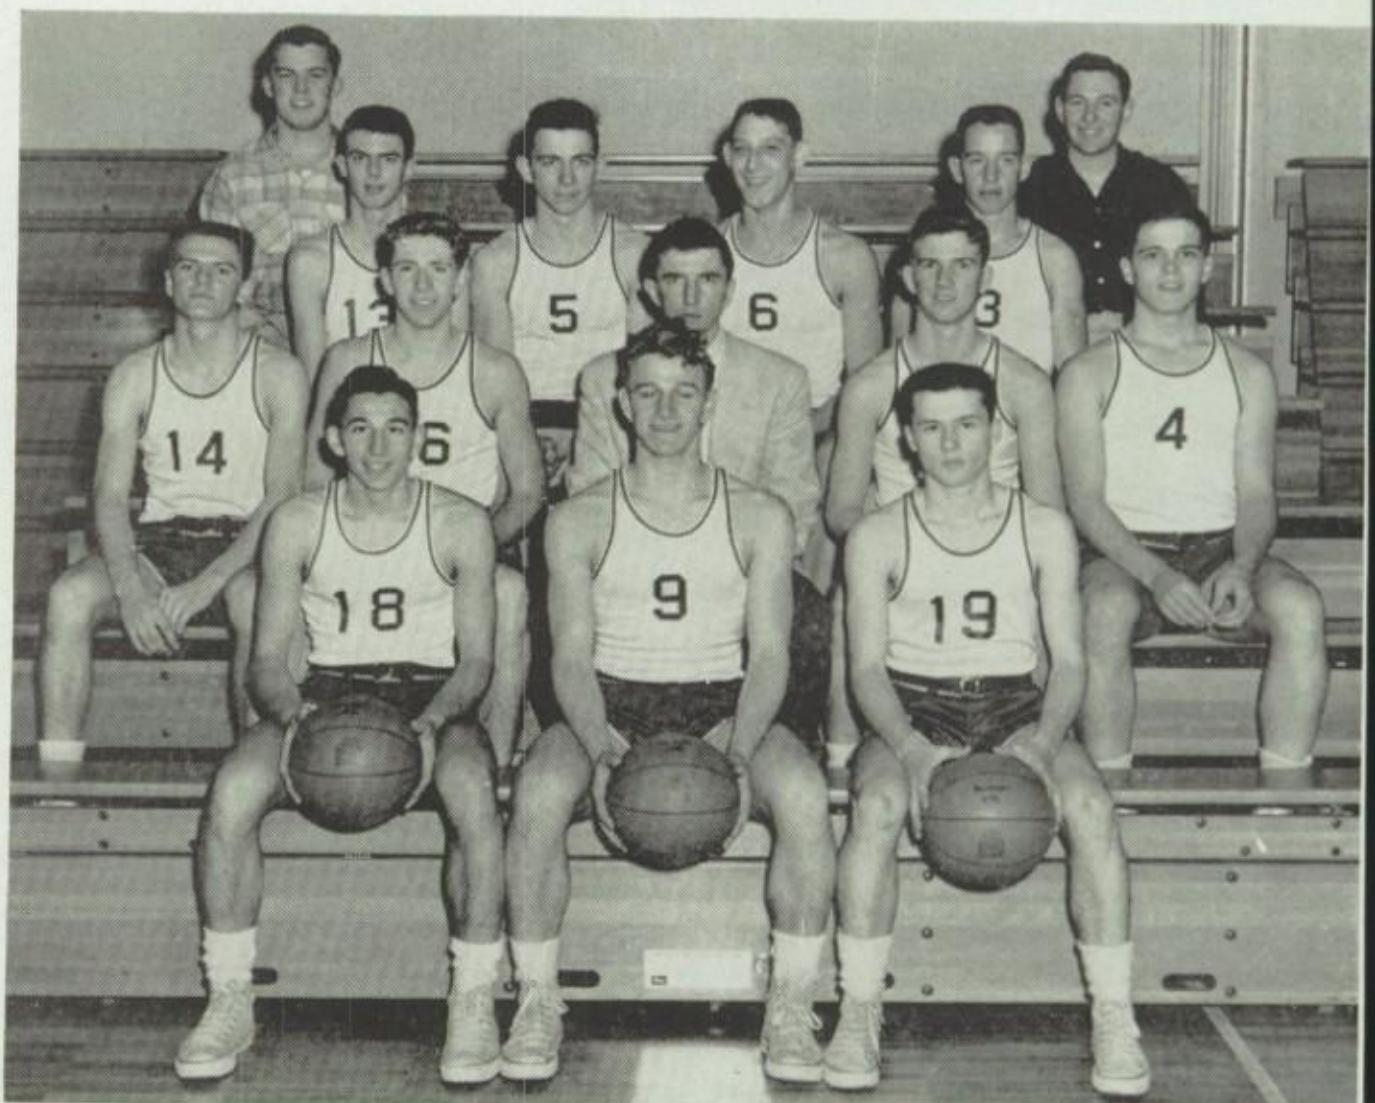

The other two games extended into the second half with Nazareth downing both Hellertown and Parkland before again falling victim to Fountain Hill on the Hiller's court. After the loss to Fountain Hill the Eagles won the remaining six games, five of which were league competition.

As the league's "class A" representatives for the District 11 championship elimination, the Blue Eagles were downed by a strong Palmerton High Quintet by the score of 73-53.

Bob Mengel, with a total of 369 points, was high scorer for the Blue Eagles. Dick Hunt scored 307 and Richard Dech 207, to place second and third respectively. Bob Mengel placed fourth in league scoring. Richard Dech was elected team captain for the 1955-56 season.

## N.A.H.S. Diamond Men League for the

Ending the league season with five wins and three losses, the Blue Eagles of Nazareth Area High School captured second place in the Lehigh-Northampton standings.

After early non-league losses to Whitehall and Bangor, the Eagles regained some of their form and trounced the Green Wave of Pen Argyl 8-3. Undimmed after losing their first league game to Hellertown, the Nazareth diamond men avenged an earlier loss to Bangor by defeating the Slaters 3-2. Behind the great pitching of Don DeLong, the Eagles defeated Wilson 2-0, and the following week swamped Pen Argyl by the score of 16-4.

With high spirits the Leh lads traveled to Coplay and trounced the Wildcats 9-0. Don DeLong outpitched several Coplay lads to gain the victory.

After losing an independent tilt to Phillipsburg 7-5, the Blue Eagles shut out the Hillers of Fountain Hill 8-0. Don DeLong, Nazareth's ace pitcher, gained the victory. With this win the Blue Eagles were assured of a second place position in the League standings.

On May 20, the Blue Eagles closed the 1955 baseball season by dropping a 7-1 loss to Parkland at Nazareth.
